STORY

# SLIDE

Watch out for bugs on the water slide, squirts!

1

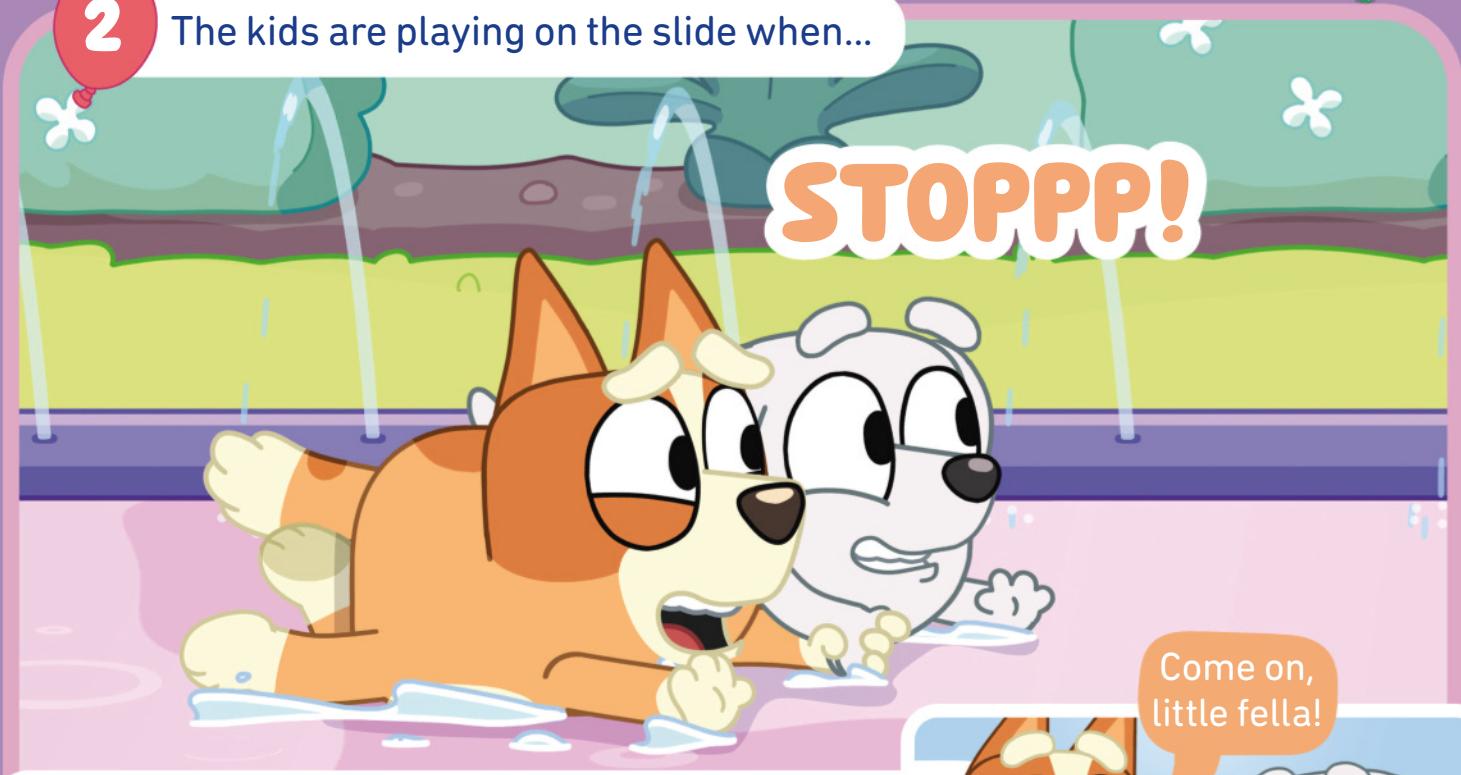

"It's your lucky day, kids. Look what I just bought," Dad says to Bingo and Lila one day. **IT'S A WATER SLIDE!**

2

The kids are playing on the slide when...

**STOPPP!**

"There's a leaf bug in the way," Bingo says. "You're lucky we didn't squash you," Lila tells the leaf bug. Bingo helps it onto the grass for safety...

**3**

Bingo gives Lila the all-clear to slip down the slide, but then... Bingo spots a ladybird! "I love ladybirds. We can't squish them," Lila says. So Bingo helps it onto the grass too... and soon spots some ants in their way! "What are we going to do?" she asks.

OOH.  
I know!

Come on,  
ladybird!

They roll up the sides of the water slide so the bugs can't climb over them, but before Bingo can slide down... she spots a grasshopper!

Bingo jumps over it just in time. Phew! That was lucky.

**4**

The walls aren't working because the bugs just fly over them. "I don't think we can water slide at all. We definitely can't squish them, can we?" says Lila. "My nana squishes bugs... but my mum doesn't," Bingo tells her. "Mine too," Lila replies. "She says they have a mummy and a daddy that would miss them." "But we can't just not slide," Bingo says.

I think we're  
unlucky and it's  
the bugs that  
are lucky.

Can bugs  
be lucky?

Well, they're  
lucky my Nana  
isn't here.

5

Lila has another idea: Bug Inspector. One person slides down slowly and checks for bugs. If there are no bugs, they yell "No bugs!" Bingo and Lila take turns being the bug inspector... When it's Bingo's go, she spots a caterpillar!

You're lucky  
we have a bug  
inspector,  
Mr Caterpillar.

He's so  
beautiful!

6

## BUT THEN... "make waaay! WOOHOO!"

...Dad's big blue bum is zooming towards them! "Ahh! Stop!" the girls yell. They try to help move the caterpillar off the slide before Dad squishes it, but he's getting closer!

"CAN'T STOP THE  
BIG BLUE GUY!"

You have to  
wait for the bug  
inspector!

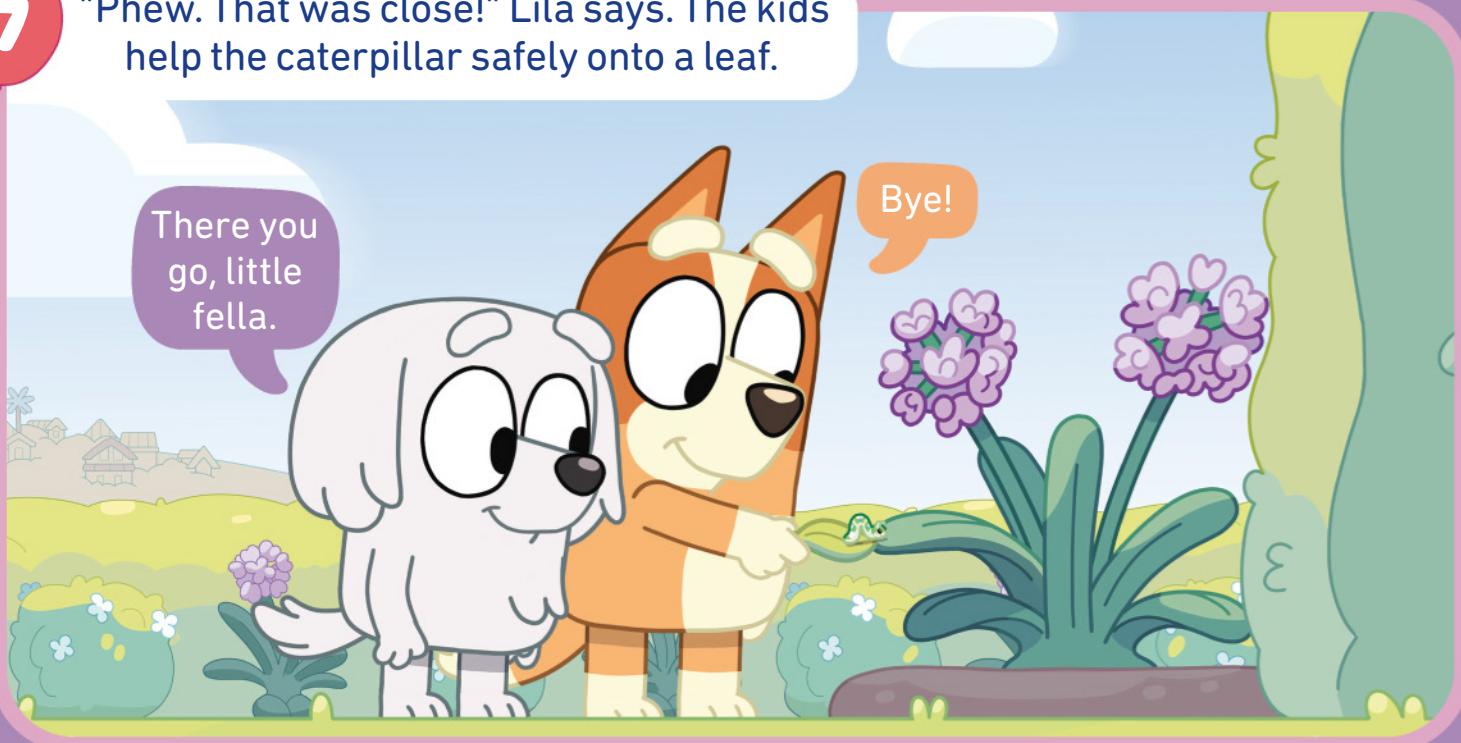

OOOF!

Bingo and Lila bend the end of the slide to protect the caterpillar and Dad crashes off into a bush.

"Phew. That was close!" Lila says. The kids help the caterpillar safely onto a leaf.

There you go, little fella.

Bye!

Over time, the caterpillar wraps itself in a cocoon.

Soon it emerges as a beautiful butterfly!

Then one day, when Bingo and Lila are playing paper, scissors, rock at kindy... a butterfly flutters down and lands on their hands!

# BOOPSLIE!

Rita's snake (Boopsie) is on the loose again.

## YOU WILL NEED:

- 2 bagels (or toast cut into semi-circles)
- cucumber slices
- cheese slices
- olives
- piece of capsicum
- a grown-up to help

This is a  
**STICKER**

2 Spread mayonnaise or butter (or your fave spread) on the bagels.

3 Arrange the bagel halves in a snakey, curvy way.

4 Make Boopsie's stripes by laying cucumber and cheese slices on the bagel halves.

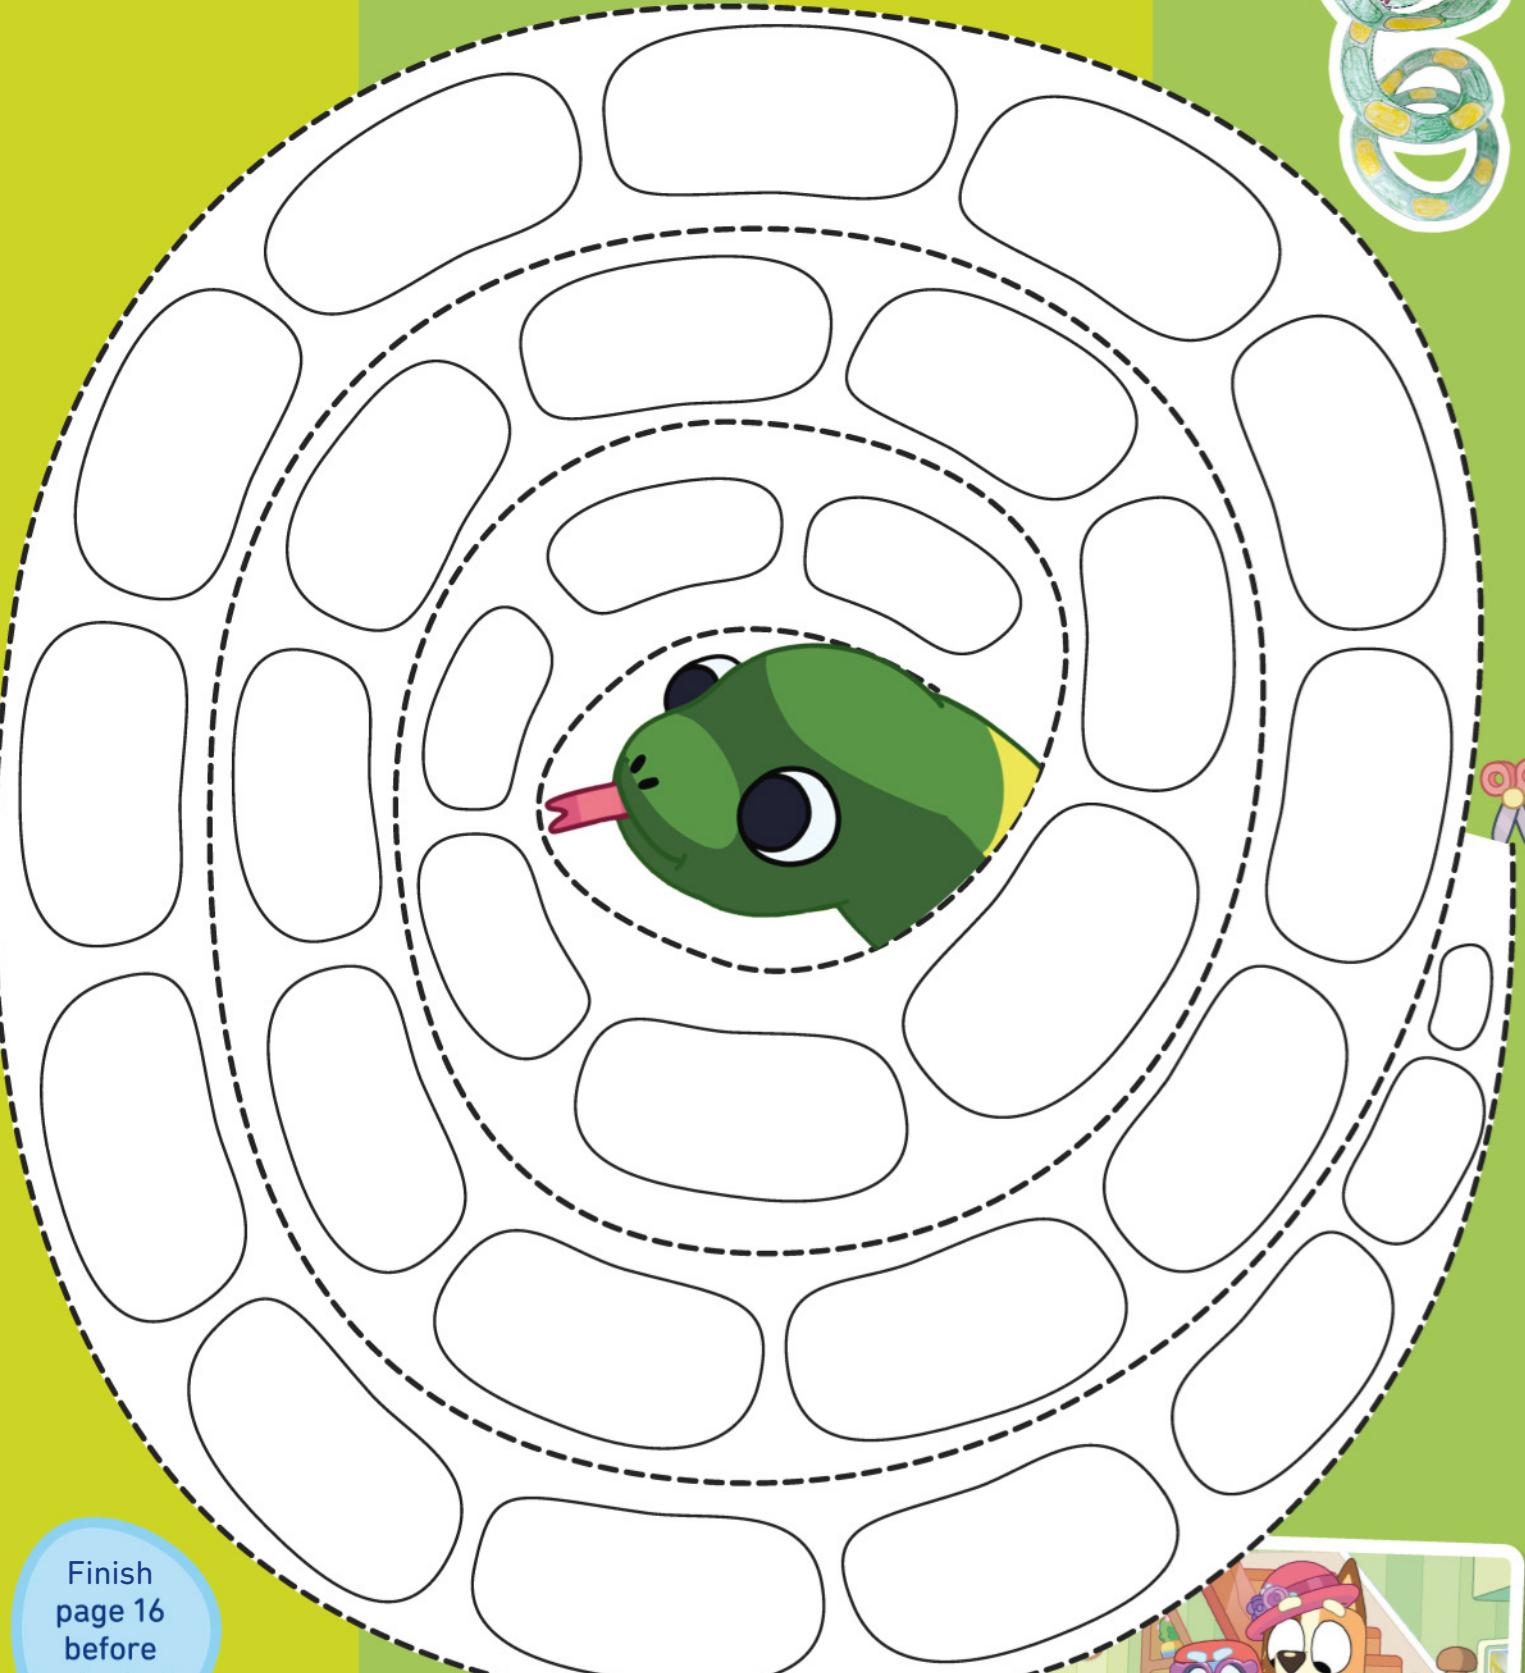

5 Olives make great eyes, and a tiny piece of capsicum looks like a snakey tongue.

**LUNCH TIME!**

Lovely with a cuppa tea.

Wanna make another Boopsie, old chook? Colour, then cut round and round and round and round... to make a bouncy Boopsie.

Finish page 16 before snipping!

# TURTLeBOY

Follow the steps to make your own cute Turtleboy mate.

## YOU WILL NEED:

- a sock (any colour)
- cotton wool balls or clothing scraps
- 3 elastic bands or string
- glue & sticky tape
- scissors
- a grown-up to help

**1** Stuff the sock with cotton wool balls until it's full, then tie the opening up with an elastic band or string.

**2** Make Turtleboy's head by wrapping an elastic band around half of the stuffed sock.

**3** To make the shell, snip along the dashed lines and slightly overlap each section to make a shell-shape, then tape them down. Fix an elastic band onto the inside so it can slip over Turtleboy's body.

**4** Cut out the bits opposite and tape them to the stuffed sock. Make a few snips like this to help the face curve over the head more. Say hello to your new mate!

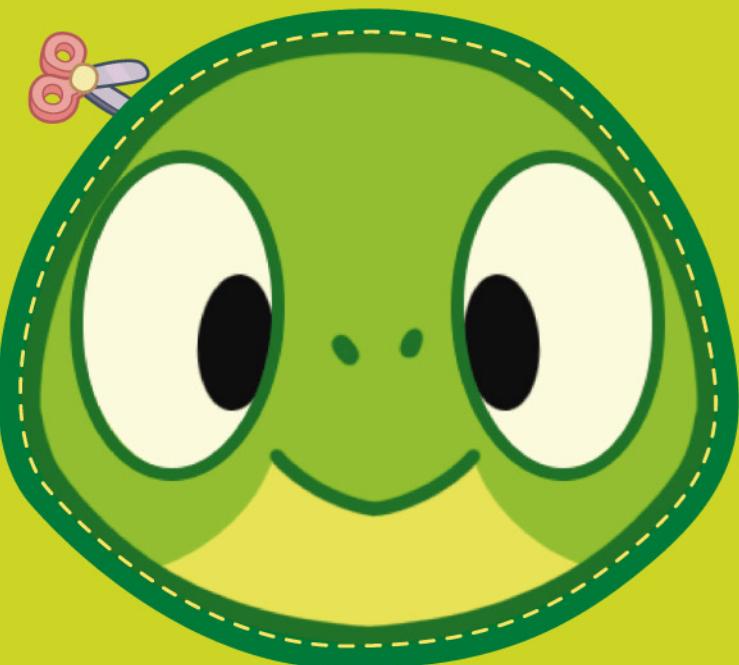

Try these Turtleboy moves:

**ROCK'N'ROLL**
